Dear Mr. Lipsky:

As part of its oversight responsibilities under Rule 26 of the Science, Space, and Technology Committee, the Investigations and Oversight Subcommittee is conducting a series of investigative hearings to review the recently concluded federal criminal case against Rockwell, Inc., resulting from its activities at the Rocky Flats nuclear plant.

You are required by a subpoena issued by the Subcommittee on August 13, 1992, and served personally on you August 24, 1992, to appear before the Subcommittee at 10:00 a.m. on Thursday, September 10, 1992, to testify on matters relating to this inquiry.

It is expected that these hearings will be held in closed sessions under the provisions of Rules 15 and 20(B) of the Committee and Rules XI(2)(g) and (k) of the U.S. House of Representatives. All testimony will be given under oath. Under the authority provided in these rules and to provide maximum protection to the witnesses, it is anticipated that the only persons allowed in the room during testimony will be Subcommittee Members and staff, a stenographer, the witness and, the witness' personal attorney if the witness desires one (Rule XI(2)(k)). The witness' personal attorney is present for the single purpose of advising him or her concerning his or her constitutional rights. The attorney is not present to testify or advise on any other issues. I want to emphasize that there is no requirement that the witness be accompanied by an attorney, but that if an attorney is present, he or she must represent the witness and not the agency by which the witness is employed. To further protect the rights of the individual witnesses and guarantee their ability to speak without fear of retaliation, the determination of whether the attorney is the appropriate representative for the witness will be

made by the Chairman. As required by House Rule XI(2)(k)(7) and Committee Rule 15, no transcripts of testimony taken in Executive Session will be released without the consent of the Subcommittee.

Although it is not required in this type of hearing, you will have the opportunity to make a five-minute, oral opening statement and submit a written statement of any length for the record of the hearing. However, so that the Members and staff have adequate time to review any written statements before the hearing, we request that 24 hours before the hearing (by noon, September 9, 1992) you send 10 copies to:

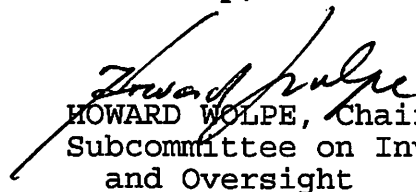

Ms. Monica Wroblewski
Subcommittee on Investigations and Oversight
822 O'Neill House Office Building
Washington, D.C. 20515

If you have any graphs, charts, maps or illustrations that will be useful to clarify your testimony for Subcommittee Members, please either provide 10 copies to Ms. Wroblewski at least 24 hours before the hearing so they can be distributed to the Members and Staff or make arrangements with her (202) 225-4494 at least 72 hours in advance to have any necessary equipment provided or copies made.

Any other questions regarding the hearing may be directed to Edith Holleman, Subcommittee staff counsel, at (202) 225-4494; FAX (202) 225-3895.

Your assistance to the Subcommittee is greatly appreciated.

Sincerely,

HOWARD WOLPE, Chairman
Subcommittee on Investigations
and Oversight
